provence

Over forty-five years ago, essensa was born in the heart of provence with the original vision of offering an alternative to western medicine.

active

Today essensa encompasses a palette of unique treatments which draw their potency from a fusion of traditional remedies with modern expertise.

organic therapies

Purity is what differentiates essensa, there are no:

- synthetic aroma chemicals
- artificial coloring agents
- artificial preservatives
- perfumes
- animal based ingredients
- animal testing
- excess packaging

signature facial treatments

ESSENSA SIGNATURE SKIN SMOOTHIE FACIAL™

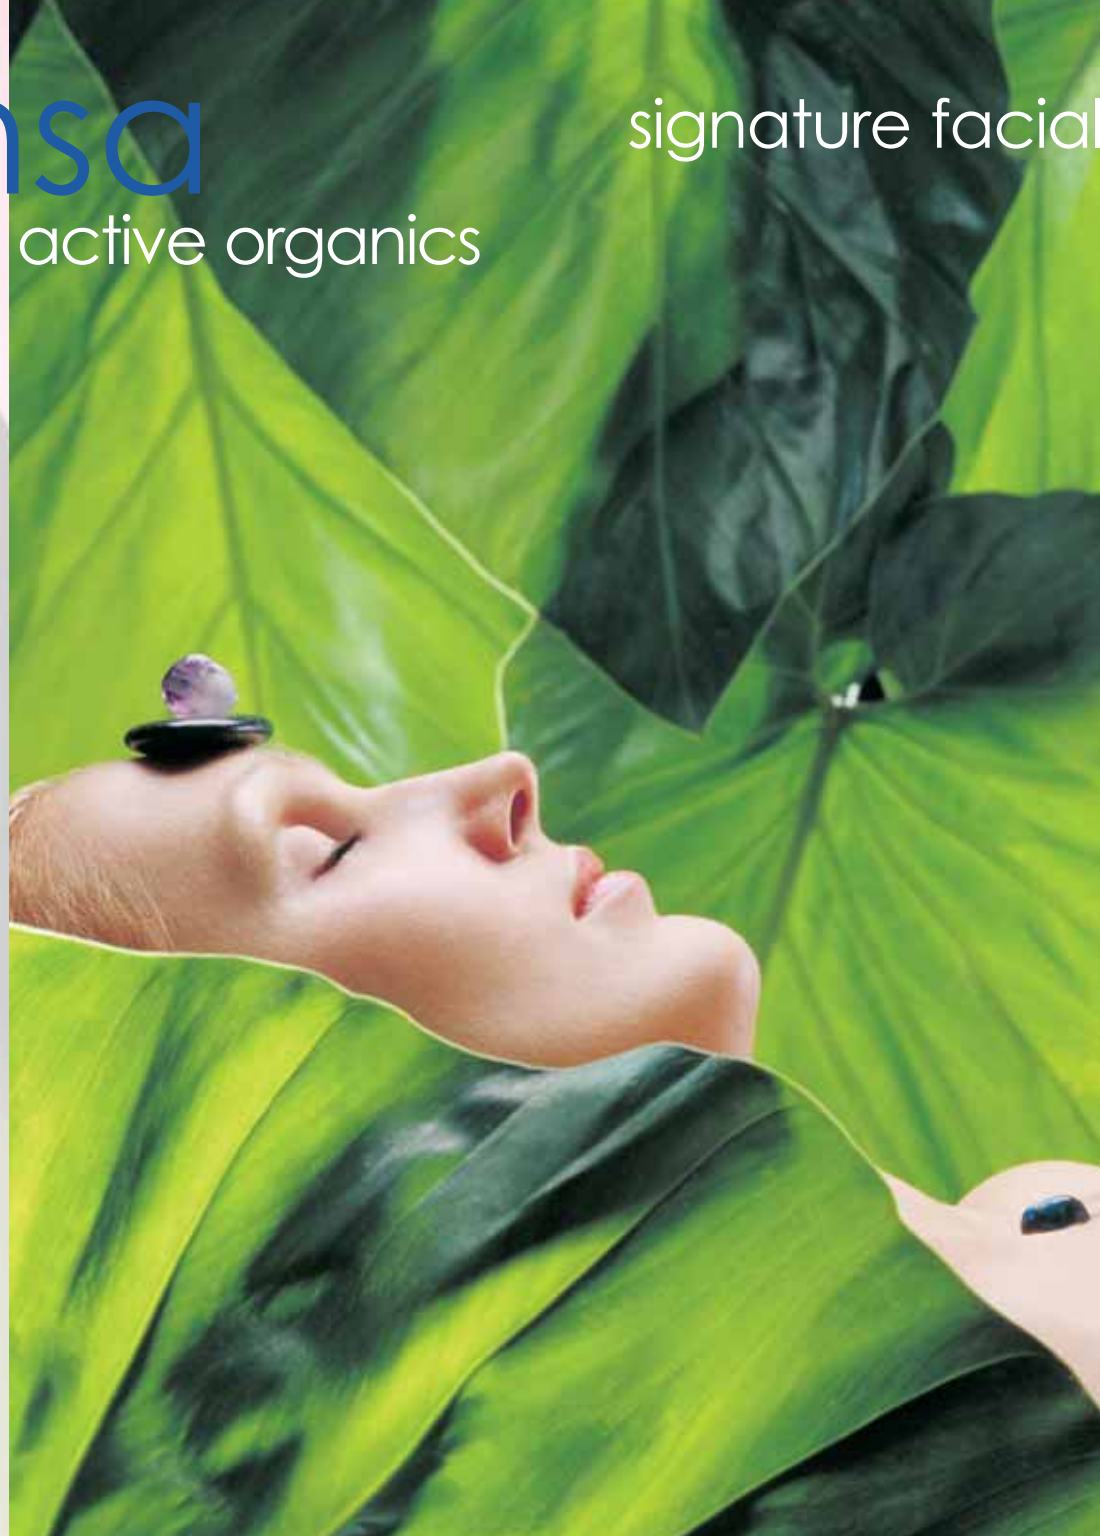

Be unique, be innovative and be you! essensa signature skin smoothie facial is custom-blended according to your skin specifics (type and condition). Our starting point to healthier skin includes cleansing, toning, exfoliation, extractions, a fruit-filled mask and nourishing massage using all-natural, organic ingredients. You are about to become your own aromatherapist... start blending now!

ESSENSA EUROSTONE™ FACIAL

Be true, be pure and embark on a blissful journey of total relaxation and skin therapy. Your essensa skincare experience is further enhanced with a unique lymphatic massage using warm and cool river rocks and by aligning gemstones along key energy centers to deeply rebalance your spirit. Submerge yourself into this comforting cocoon of well-being.
